

CUSOIO

Made by Argentine Craftsmen

Since 2005 - Natural Cow Leather

ABOUT US

We are an Argentine brand that makes meticulously-designed cow leather handbags. Our identity is based on design authenticity and on a range of finely-selected leathers which give every collection a sense of functionality and simplicity.

WE ARE IDEALISTS

In an area influenced by industrialization, we create elegant, practical and at the same time versatile products.

WE ARE OBSESSIVE

About offering the best quality goods. Each piece is carefully designed with unique materials and specially-thought details that make it so special and unique.

WE ARE COMMITTED

To designing and creating handcrafted items.

#ARGENTINELEATHER

WE ARE GRATEFUL

CUOIO

For having the possibility of designing and creating such a distinct product made from National materials. We are also thankful for sharing our products with you.
